WELCOME

Southern Boating Media reaches far beyond its southern roots. Lifelong traditions, hospitality, style, and neighborly charm describe our personality, but our focus is the dream of the open seas, to cruise the coastal barrier islands, or spend a day on the lake.

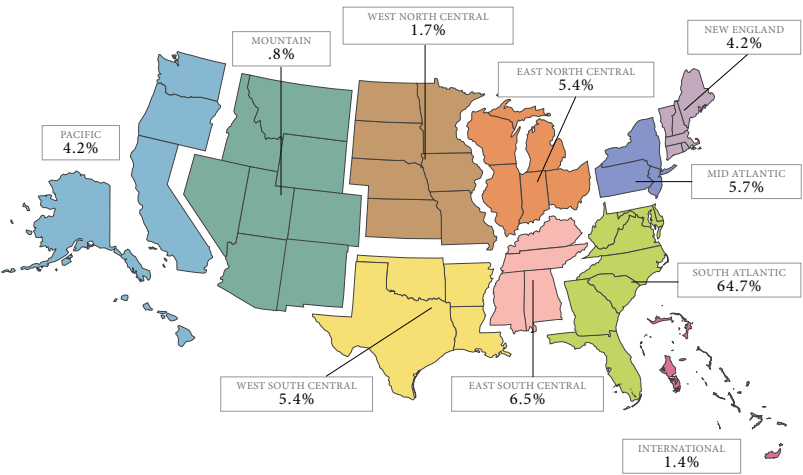

That’s why our distribution targets a national and international audience. Our readers are kept up to date with current affairs in regions from the Northeast Seaboard down the coast and into the Gulf as well as over to the Bahamas and through the Caribbean islands.

Through each issue, Southern Boating offers the chance to discover new destinations, try out tasty recipes, learn the latest trends in gear and the newest technology, and, of course, read about boats.

With increasing numbers in the magazine’s monthly distribution and an expanded online presence, including social media platforms, your brand is visible to more than 67,000 subscribers. Along with weekly email blasts, boat show distribution, and daily online postings, showcasing in Southern Boating is a smart tool to have in your marketing plans.

After all, our readers not only realize that Southern Boating is available wherever and whenever they like, it’s also a lifestyle they enjoy.
